## ( An Illustrated Tribute to the Beatles: by Steve Szynal )

This Fine Art Print of my original hand drawing that took over 1200 hours to create was produced using Archival inks on acid free 230 # print stock paper. The work is intended as a somewhat humorous visual tribute to Beatles music and their somewhat brief time together as a group. Included are references to approximately 140 Beatle Songs, the key buildings and locations in Liverpool, London, Hamburg, New York/America and Rishikesh. The work also includes Influential Musicians, Friends, Family and Characters from the Songs and Movies who are shown throughout.
